Skills

◆◆◆◆ Data Analysis
◆◆◆◆ Python
◆◆◆◆ Automated
◆◆◆◆ Data Wrangling
◆◆◆◆ Pandas, sk-learn, Keras
◆◆◆◆ Machine Learning
◆◆◆◆ C#, LabVIEW, PHP
◆◆◆◆ SQL
◆◆◆◆ Analytical Thinking
◆◆◆◆ Interdisciplinary
◆◆◆◆ Team Player

Education

Dr. rer. nat. Physik ↓
FAU Erlangen-Nuremberg
2008 – 2013

M. Sc. Molecular Science ↓
FAU Erlangen-Nuremberg
2005 – 2007

B. Sc. Molecular Science ↓
FAU Erlangen-Nuremberg
2002 – 2005

Languages

◆◆◆◆ German (native)
◆◆◆◆ English
◆◆◆◆ French

Honorary work & Successes

Vice President
German Frisbee
Federation, since 2018

Gold Medal
Ultimate Frisbee
WCBU 2015 & EBUC 2019

Work Experience

Quality Engineer Electronics

since 12/2019

Buehler Motor GmbH

- Quality assurance of hardware and software development
- Root-cause analysis of electronics failures
- Data analysis of end of line tester data of series production line and circuit board production line with statistical and machine learning methods (Python, Pandas, Numpy, Scikit-learn, Tensorflow, Keras)

Supplier Quality Engineer Electronic Devices

10/2017 – 11/2019

Buehler Motor GmbH

- Monitoring and tracking of electronic devices suppliers
- Root-cause analysis of electronics failures
- Data analysis of end of line tester data of circuit board production line with statistical and machine learning methods (Python, Pandas, Numpy, Scikit-learn)
- Implementation of processes for semiconductor management

Project Leader

04/2015 – 09/2017

Fraunhofer IISB

- Project management and customer acquisition (Asia)
- Supervision and problem solving of semiconductor clean-room processing
- Design, process planning and characterization of electronic devices
- Development of automated data analysis tools (Excel/VBA)

Operating Manager

11/2013 – 04/2014

Entsorgungszentrum Franken GmbH

- Evaluation of analysis data and quality assurance
- Strategic alignment and customer acquisition
- Technical and disciplinary leader

Scientist

01/2008 – 06/2013

Applied Physics, FAU Erlangen-Nuremberg

- Development of an automated data analysis tool with LabVIEW, Origin and C; significant speed up of data analysis in multiple projects
- Process development and characterization of organic semiconductors
- Synthesis and characterization of ion gels

International Experience

Invited guest scientist

08/2011 – 10/2011

Department of Chemical Engineering and Materials Science
University of Minnesota, Minneapolis, USA

Master Thesis

02/2006 – 07/2006

European Synchrotron Radiation Facility, Grenoble, France

- Pattern analysis of detector images with FIT2D

US Highschool

09/1999 – 05/2001

Tilton School, Tilton, New Hampshire, USA
Induction in „Cum Laude Society“

Certificates

Machine Learning A-Z ↓
SuperDataScience / Udemy

05/2020

Data Science A-Z ↓
SuperDataScience / Udemy

04/2020

Object-orientiert Programming in C# ↓
Best final project (100%)
Alfatraining

07 – 09/2014

LabVIEW Associate Developer ↓
RRZE, FAU Erlangen-Nuremberg

07/2012
